The Elliott Schmitt Group of Roseville, Calif., was recently recognized for their continued financial support of the Placer County Search & Rescue Team, which performs missions from helping find missing children to rescuing trapped skiers in blizzard conditions. Members of the group include full-time and reserve deputy sheriffs as well as dedicated community volunteers.

For the past eight years, the Elliott Schmitt Group has donated money to the organization for necessities such as ropes, climbing gear and materials for training and education. "We first chose to get involved due to a client we have worked with for many years – Bill Bohmer, who is an active member of the Placer County Search and Rescue Team and an ex – Navy Seal," explained Matt Schmitt, Financial Advisor. "His dedication and enthusiasm to the organization are very inspiring."

The Placer County Sheriff personally thanked and honored the team with the award on May 9. "We were very surprised and proud to have received this award and to be the number-one contributors to this organization over the past several years," said Kent Elliott, Financial Advisor. "It's a great feeling knowing we can benefit the lives of others in the community with our donations."
