

When we asked a few of our clients what they think of our services and overall satisfaction level they mentioned the following:

“The Avey Wealth Team provided a convenient and comprehensive review of our personal and corporate finances. Subsequent strategies and recommendations provided focus and results we were looking for in our personal investment plan. Derek and the entire TD Wealth team made the experience easy, personal and effective. Paula and I highly recommend Derek and the Avey Wealth Management team.

I have worked with Derek for a number of years and found him to be professional, knowledgeable, and courteous, always willing to assist the client.

We have been working with Derek at TD Wealth Private Investment Advice since May 2013. His leadership and strong performance has continued to grow our retirement fund and corporate accounts. Derek also introduced us to a High Net Worth Planning Team in 2017. Along with Derek's recommendations, we have met and worked with very professional and knowledgeable individuals to solidify our Wills, plan for our retirement and to purchase a life insurance plan. It is exciting to see our future grow with such wonderful and committed team members! It is our pleasure to strongly recommend Derek and TD Wealth to meet your investment need ”
