Julian Gonzalez is a Senior Private Banker with TD Wealth Private Banking based in downtown Toronto. With over 10 years of experience in the financial services industry including Business Banking, Retail Banking and Investment management. He specializes in providing Health Care Professional clients with a comprehensive range of TD Wealth Private Banking solutions including credit and lending solutions. Julian can engage a team of specialized professionals at TD that can provide clients with expertise in different areas like estate planning, trust, tax, business succession planning, investment strategies and investment management. Julian's main goal is to create a long lasting relationship with his clients to provide them with tailored solutions aligned with their needs and the needs of those they care about.

Julian has demonstrated a commitment to continuous education and has completed the Investment Funds in Canada course (IFIC), and the Branch Compliance Officer course (BCO). He is currently working towards his Personal Financial Planner (PFP®) designation. Julian holds a dual diploma in Business administration and Business management as well as a post graduate diploma in Professional financial services from Fanshawe College in London, Ontario.

Julian is fluent in English and Spanish as well as he's enhancing his Portuguese speaking skills. He is a devoted sports fan and loves to travel the world. Outside of the office he is an active member of his local community in downtown Toronto, where he helps support access to educational and recreational programs for all children.
