

## Making an impact on our community

We enjoy spending time with happy, successful, likeminded people and supporting the causes that are important to them while doing great things for our community.

In addition to holding client education receptions and presentations to share market information and insights, we also host or sponsor several charity events each year. Some annual highlights include:

### **Feed the Hungry**

We sponsor a three-course sit down meal for over 500 Calgary citizens who need it most, enlisting our team and clients to prepare and serve the food, along with handling all the clean up that comes with the events, twice a year.

### **Canmore Hike**

Each year we host a fun family hike for our clients in the Kananaskis with a local geologist to lead the way and point out unique features of the area. All followed by drinks and appetizers at a local Canmore eatery.

### **TD Wealth Goes to the Dawgs**

Each June, we rent the hospitality suite at Seamen Stadium in Okotoks for our clients and their families to watch the Okotoks Dawgs baseball team, enjoy refreshments & hot dogs, and hang out with the players after the game for autographs.

### **Scout Camp Jamboree**

We sponsor Calgary's 219th Portuguese Scout Troop, sending each scout a camping-inspired gift each year before they head out of town for their annual all-scout Jamboree.
