You're invited to... Shred your confidential documents!

Protecting your personal information is vital. One of the most effective ways to prevent identity theft is to shred the personal documents and financial information you no longer need.

Friday, June 7, 2019

7:00 a.m. – Noon

You may bring up to five grocery bags of documents. No boxes, please.

Bring your documents to the Baird parking lot, where one of our Waukesha branch associates will be there to greet you and put your items into a secure and locked holding bin.

Your documents will be shredded promptly on Friday, June 7. A Baird associate will remain with the truck until all documents have been shredded.
