

Girls' Night Out

It's time to celebrate working mothers at all stages of their careers!

You are invited to share a Girl's Night Out with like-minded professional women who struggle with trying to be everything to everyone in their career and at home. Join Sheila B. Jordan, CIO of Symantec and author of the inspirational book, *"You are NOT Ruining Your Kids: A Positive Perspective on the Working Mother,"* as she shares her experience as a mom as well as a corporate executive. Ms. Jordan debunks the notion of "work/life balance," instead calling for "work/life integration." Following her presentation, Ms. Jordan will be joined by a panel of inspiring career women who are at different life and professional stages. Come and enjoy a delicious selection of wine and hors d'oeuvres. Each guest will receive a signed copy of Ms. Jordan's book.
