Barron's "Top 100 Financial Advisors"

Barron's "Top 100 Financial Advisors" 2021

Barron's, Reprint Permission, Apr. 26, 2021. Top 100 Financial Advisors are ranked by the Top 100 Financial Advisors Research Group, which is part of Barron's Research Group. The Top 100 Financial Advisors Research Group ranks financial advisors who meet certain minimum requirements based on assets they oversee, their average annual production and their practices. Rankings are based on data provided by the financial advisors themselves and their firms, and on telephone interviews with clients recommended by the advisors. Rankings may also take into account factors such as industry experience, compliance records, and community involvement. Rankings are not indicative of the advisor's future performance or investment style. Barron's is not affiliated with any of the financial advisors listed. Neither Barron's nor its affiliates receive compensation in connection with the rankings. For more information, see barrons.com/top100advisors.
