TEAM SPOTLIGHT

Meet Elmela Imamovic, Client Associate

Elmela's Wells Fargo career began at Wells Fargo Bank in 2016 in Chicago as a Personal Banker.

Elmela, her husband Isac, and three boys moved to St. Louis from Chicago in 2019, to be close to family members. She joined Frontenac Heritage Wealth Management Group in 2020, during the pandemic. Elmela loves being part of the FHWMG and her goal is to build long term client relationships while supplying top-notch service.

When Elmela is away from the office, she is busy acting as the Uber driver for her three active teenage boys to soccer, basketball and wrestling practices and chasing after her 17-month-old daughter, Maya.

Maya is the newest member of the family who currently likes to give kisses, say "no" to everything and pull on the tail of their cat, Lilly. While Lilly is not sure about this new addition to the Imamovic Family, the boys, Elmela and Isac, absolutely love the fun and pink brought into all their lives.

If there is any free time left, Elmela likes to read, take long walks, and listen to podcasts.

Some more interesting facts about Elmela are that she has lived in five different countries and speaks three languages, English, Bosnian, and German, though she claims she is a little rusty on the German.

Elmela has been living in the US since 2001 and became a proud US citizen in 2020. When you call our office, you may hear Elmela's cheerful voice on the other end of the line, feel free to greet her in any of her three languages.
