

Constantine's Retirement & Our Team's Continued Commitment

Dear Valued Clients,

After 45 years of dedicated service advising clients, Constantine Harris retired in June 2025.

While we miss Constantine's daily presence, perspectives and contributions, we wish him all the best in this new chapter. He had been looking forward to some well-earned free time. Since June 6th, 2025, Const has stepped back from day-to-day duties, however he is still involved with Highwater Wealth Group through a consultancy period. Following this, he will be joining Highwater's Client Advisory Board, where his experience will continue to benefit you.

Our team led by Const and Chris, has been planning this transition carefully for over five years to ensure a seamless continuation of service for you, our clients. Chris Reaney and Matt Babcock, both CFP® certificants, are now leading the team supported by Anka Vidacic as Senior Wealth Management Associate and Michelle Perez as Client Administrative Manager. This team stands well-prepared and committed to keep things running at the high standard you deserve, and to provide the same great service you've come to expect from Highwater Wealth Group.

Message from Constantine:

Dear Clients,

As I prepare to retire, I want to express my heartfelt gratitude for the trust and support you've shown me over the years. It has been an honor to work with each of you, and I cherish the relationships we've built. I've worked with many of you for decades and care for you and your families deeply. I am excited to continue contributing to the Highwater Wealth Group as a member of the Client Advisory Board. At the same time, I look forward to enjoying some personal time, including taking peaceful walks, biking, fishing, sailing, woodworking in my shop, and spending time with my children, grandchildren and my beautiful wife Nancy. I am extremely proud of the team we have built over the last five years and feel lucky to be handing off the reins to this exceptional team, who I know will provide you with the same level of care, excellence and dedication. Thank you for being a part of this journey.

*Warm regards,
Constantine Harris*
