Private Wealth Management

Helping you achieve your vision of success
At TD Wealth Private Wealth Management, we understand that making decisions that will affect your life is a deeply personal experience. We also appreciate the key role that growing and preserving your wealth plays in helping you enjoy the life you want to lead.

That’s why we take a unique approach to understanding you, your family and your values. Using behavioural finance and our distinct discovery process, we’ll help uncover what matters most to you, so we can build a strategy focused on helping you achieve your vision of success.

Depending on your needs, your TD advisor can connect you with a dedicated team of private wealth management specialists, who will work collaboratively to develop your personal wealth strategy. Whether you’re just building your career or shifting into retirement, looking for help in transferring your wealth or transitioning your business, we have the breadth of expertise to design a plan that will help make you more confident in your decisions, and more focused on your future.

We look forward to working alongside you and your family to help you achieve your goals.

You and your needs
At TD Wealth, we believe in building long-lasting relationships that evolve as your needs change over time.

Whether your needs are straightforward or complex, we're dedicated to delivering tailored, comprehensive, wealth management strategies, all with our personalized, client-focused service.
Our discovery process

Your TD advisor will take you through a unique discovery process that uses behavioural finance theory to uncover the values behind your personal vision of success and help determine what truly matters to you.

- What are your goals?
- What do you want to accomplish this year?
- What do you value?
- What will your legacy be?
- How do you feel about wealth?
- What are your priorities?
- What is most important to you?
Investing in life’s priorities

Financing your vision

Leaving a legacy

Protecting what matters
Through our discovery process we’ll connect you to the right relationship manager, who based on your specific needs, will build a team of specialists around you to help achieve your vision of success.
Your relationship manager will stay in tune with your needs and help ensure you're on track to achieve the future you envision for yourself.

As your needs and priorities evolve, your wealth strategy will evolve with you. Through regular contact, your relationship manager will routinely assess your investment portfolio and goals, ensuring you are introduced to the right specialists at the right time and that your investment portfolio is aligned to your vision of success.
